2. Only full month premiums will be considered for refunds.

For example, if you choose to cancel your coverage two months and two weeks prior to the date your coverage ends, IMG will only consider the two full months for a refund. If you have filed claims, your premium is non-refundable.

Enrollment & Application Process

You should read the following important information prior to completing the application form.

How to Enroll

Before you begin your travel, simply apply online or fill out the application form and calculate the estimated premium for the time period you and/or your spouse will be traveling. Once you have completed the application form, return it to your insurance agent/broker or IMG.

Eligible individuals listed on the application form and for whom premiums have been paid will be covered from the latest of the following dates:

1. The date IMG approves your completed application form and receives the appropriate premium;
2. The date you depart from your home country; or
3. The date requested on your application form

Fulfillment Kit

Once your application is processed, IMG will email the fulfillment kit(s) to the email address listed on the application form. The fulfillment kit(s) will include an IMG identification card(s), declaration of insurance and a Certificate Wording containing a complete description of benefits, exclusions and terms of the plan.

If you do not choose online fulfillment, IMG will mail your fulfillment materials to the address listed on the application form, which may cause delays. We recommend online fulfillment for immediate access to your coverage information.

GlobeHopper Senior Single-Trip Extension of Coverage

The GlobeHopper Senior Single-Trip plan is eligible to be extended up to 12 months from the initial effective date, provided there is not a break in coverage. Extensions are available in daily and monthly increments and may be completed online or by using a paper application; however, extensions of less than one month must be completed online. For each extension of less than one month that is completed online, you will be charged an additional \$5 processing fee. Each insured person must only satisfy one deductible within each 12-month coverage period.

Claims Procedure

Precertification

Certain treatment and supplies including hospital admission, inpatient or outpatient surgery and other procedures as noted in the Certificate of Insurance must be precertified for medical necessity. This means the insured person or his/her attending physician must communicate with an IMG representative prior to admission to a hospital, receiving certain treatments and supplies or performance of a surgery. In case of an emergency admission, the precertification call must be made within 48 hours of the admission or as soon as reasonably possible. If a hospital admission or a surgery is not precertified, eligible claims and expenses will be reduced by 50%. It is important to note that precertification is only a determination of medical necessity, not an assurance of coverage, verification of benefits or a guarantee of payment. All medical expenses eligible for reimbursement must be medically necessary and will be paid or reimbursed at usual, reasonable and customary rates. Please refer to the Certificate of Insurance for full details of the precertification requirements.

Note: An insured person may begin the precertification process through My/IMG or the Client Resources section of our website, www.imglobal.com. Simply look for the precertification option. You will be asked to provide the required information, which can then be submitted electronically to IMG. Once we have confirmed receipt of your request, our utilization management and review team will review the information provided and respond to the insured person or the provider within two business days. Please note that this online service will only initiate the precertification process, and it should not be used to precertify emergency admissions, procedures or evacuations.

Claims Payment

All benefits payable under a GlobeHopper Senior plan are subject to the terms and conditions in the Certificate of Insurance. Claims for eligible medical expenses may be paid in two ways:

1. Eligible expenses that have been paid by or on behalf of the insured person may be reimbursed by check directly to the insured person.
2. Eligible expenses that have not yet been paid by the insured person may, at the option of IMG, be paid either to the insured person or directly to the provider.

You can submit and manage your claims online at myimg.imglobal.com. Claim forms also can be accessed at www.imglobal.com and mailed to International Medical Group, P.O. Box 88500, Indianapolis, IN 46208-0500 USA.
